Gentlemen:

A technical representative of this Agency inspected your refuse disposal facility located at Butrick and Yeoman Streets on May 20, 1971. Your operator was contacted at the time of inspection.

The inspection disclosed the following conditions which were not in complete compliance with the Rules and Regulations for Refuse Disposal Sites and Facilities:

It was observed that liquids from truck, license M-3077 was being accepted for disposal at your site in violation of Rule 5.08 of the Rules and Regulations for Refuse Disposal Sites and Facilities. This practice shall be discontinued immediately upon receipt of this letter. Written approval must be obtained from this Agency for the disposal of such materials in accordance with aforementioned Rule.

Your cooperation in this matter is certainly appreciated. If this Agency can be of assistance to you in the future, please feel free to contact us.

Very truly yours,
ENVIRONMENTAL PROTECTION AGENCY
